

NCESA 2011 E Scow National Championship

Torch Lake Yacht & Country Club
Torch Lake, Michigan

I had an endless stream of compliments about our club members. Thanks again to all of you who made our Yacht Club shine this past week. It will be remembered for a long time!

Art Brereton, Commodore, NCESA, Commodore, TLYCC

Thank you for all your hard effort - the event was first class. The association could not have been better represented and all the TLYCC volunteers should know we are very proud of what they were able to offer our membership.

Lon Schoor, NCESA Secretary and Treasurer

With racing going late into last day I did not get a chance to say thanks and congratulate you for the great event you and the volunteers of the TLYCC pulled off. Your organization was tremendous and I know how much effort you put in. So on behalf of the entire NCESA membership, Thank You!

Toby Sutherland, NCESA Vice Commodore

Please share my congratulations to you and all the members of the TLYCC for a remarkable and outstanding effort hosting the 2011 National Championship Regatta. There was obviously a HUGE amount of planning and coordination that was carried out to Perfection!

Rick Turner, Past Commodore, NCESA

First of all, thank you for the opportunity to once again partner with the TLYCC and throw one heckofa fun party/regatta. Yes, the days were long and at times the work is hard, but all on our staff (except for being rather tired today and still have to work) truly enjoyed themselves and appreciated the friendships they made and the glory of seeing 80 E-scows compete.

Dave Martin, Exec Director State YMCA

I wanted to send a sincere congratulations on a very well-run event! I was amazed at how many wonderful volunteers you had helping with every detail of the regatta. On the receiving end of all of your efforts, I would like to say thank you! I was appreciative of the wonderful housing, fabulous view and dinners, and of course, the wonderful camaraderie of all!

Jennifer Fenton, Race Committee

We really enjoyed the regatta, everything was fantastic. Thanks again,

Thanks for your hospitality and concerns. You can count on me coming back to Torch in the future. You guys throw a great regatta.

I am happy to hear that the Regatta was a success. The feedback I received from the pub was very positive and I heard that you went through pretty much all of the beer.

Jon Wojtowicz, Short's Beer

Torch did an outstanding job.

Pat Fleming, Race Committee

I commend your staff on doing such a great job organizing and running the regatta ...very well run!
