

Using PayPal for TLYCC Credit Card Payments

TLYCC uses PayPal to securely process our Credit Card transactions. You do NOT need a PayPal account to pay this way. If you submit one of our forms and select to pay by Credit Card, you will be taken to PayPal to complete the transaction. If you do NOT complete the transaction on PayPal, your form submission will not be processed and you will need to complete the process again.

When you elect to pay by credit card for an invoice, you will be taken to PayPal to submit your payment. When you have completed the form and click on 'submit' you will see the following PayPal page. If you do not have a PayPal account, you should click on 'Pay with Debit or Credit Card'.

The image shows a screenshot of the PayPal login page. At the top center is the PayPal logo. Below it is the heading "Pay with PayPal". Underneath the heading is a line of text: "With a PayPal account, you're eligible for free return shipping, Purchase Protection, and more." There are two input fields: "Email or mobile number" and "Password". Below the password field is a link that says "Forgot password?". There is a blue button labeled "Log In". Below the "Log In" button is the word "or" flanked by horizontal lines. Below that is a button labeled "Pay with Debit or Credit Card", which is highlighted with two red arrows pointing towards it from the left and right. At the bottom of the page, there is a link that says "Cancel and return to Torch Lake Yacht and Country Club" and a language selection menu showing a flag icon, a dropdown arrow, and the text "English | Français | Español | 中文".
